

## OVERVIEW

The Alamo Chapter of Credit Unions (ACCU) is dedicated to the educational and networking needs of Bexar County credit union employees. The ACCU Scholarship Program is designed to help credit union employees develop and enhance their skills and expertise.

To foster participation in events, conferences and seminars that further credit union employees, the ACCU will offer full or partial scholarships to any and all credit union employees in order to attend a) credit union related conferences or events, and/or 2) job skills related conferences or events, and/or 3) leadership development conferences or events.

Funding for these scholarships will be provided through ACCU organization dues. Accordingly, participation in the scholarship program is open only to employees of credit unions that are dues-paying members of the Alamo Chapter of Credit Unions.

In addition to an event or conference registration fee, scholarships may also cover related costs as part of the program package, such as transportation or hotel fees. Please note that personal expenses are not included in the ACCU Scholarship Program. Additionally, ACCU Scholarship funds cannot be used toward expenses for the spouse, significant others or children of the applicant.
